

### Great Manchester Run Cheer Point

The atmosphere and support from the sidelines of the Great Manchester Run is incredible and one of the reasons runners come back year after year to the event.

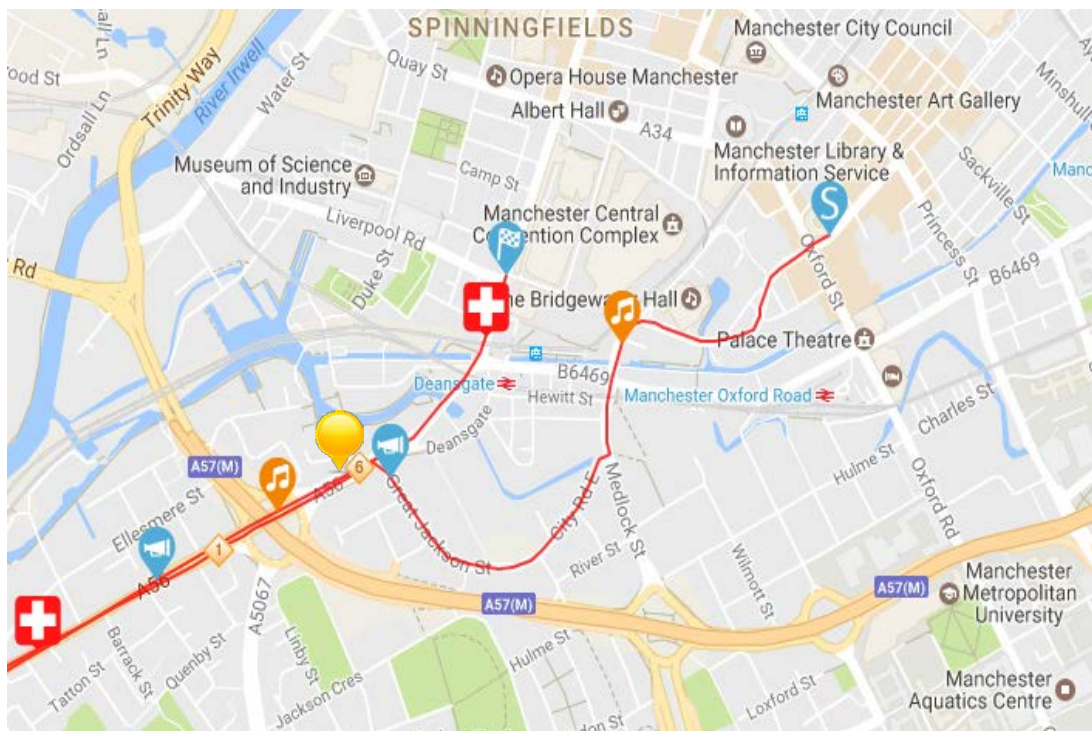

Our cheer squad will be there on the day to support Team NWAA as you take to the streets to represent our charity and raise funds to keep our helicopters in the air.

You're more likely to spot your friends and family in the crowds if they are part of our cheer squad so please encourage them to join us too.

They'll all get a free cheering pack with banners, flags and banger sticks so when you pass us in your yellow NWAA t-shirt you'll be sure to see and hear us in the crowds!

Look out for our NWAA flags near to the 6 mile marker on the A56 Chester Road, after Great Jackson Street, M15 4AX. You'll pass this spot on the way out and again on the way back - when a smile from a familiar face will help your last push to the finishline.

Below are the details of where we plan to be and when, but if you or your supporters struggle to find us call Linda on 07500 858581 and we'll attempt to direct you to our exact position.

 10:00 – 17:00 Cheer point on Chester Road, near to Great Jackson Street (M15 4AX)

Please feel free to come and see us at the cheer point before and after your run.

If traveling by car, and you wish to avoid the road closures, one of the closest car parks is Q Park, First Street North, M15 4FN.
